***Request:**

Identity Documents (passport, driving license, Emirates ID): email to dataprivacy@shamal.com after completing and submitting the DSR form.

Uploading an identity document as a part of your DSR is optional. However, if you wish to discuss your personal data and/or exercise any of the rights available under applicable law concerning your personal data, we will need to verify your identity. If you do not provide an identity document and one is subsequently required, you may be asked to resubmit this form with the appropriate identity documents attached before your request can be processed.

- I agree that by filling in this form and clicking on 'submit', Shamal Holding LLC and/or any of its subsidiaries may process my personal data for the purposes of responding to this request, including contacting me by email or telephone to discuss the request.**
